SAFE AND SPOOKY HALLOWEEN

KIDS EDITION

PARENTS GUIDE FOR CHILDREN SAFETY DURING HALLOWEEN

STAY WELL LIT.

Apply reflective tape to your child's costume, carry a flashlight or a glow stick. Keep your path lit and ensure you're seen by drivers on the road.

PICK YOUR MASKS CAREFULLY

Sometimes, masks only have the smallest slits for the eyes and breathing holes. Don't hesitate to cut out larger openings for your trick-or-treater's comfort

WEAR COMFY SHOES.

When walking a great deal, comfy shoes are a must! Any and all shoelaces should be double-knotted to ensure that nobody trips in the dark!

PICK A PRACTICAL TREAT BAG.

A good solution is for kids to use a pillowcase that they can sling over their shoulder, or a backpack that keeps hands free to use a flashlight.

PLAN A ROUTE IN ADVANCE

Halloween is exciting, but kids aren't as fun they're tired and cranky! Be sure to map out a route before you take off.

WALK. DON'T RUN.

Keep everybody safe by taking your time, looking both ways before you cross the street and avoiding contact with other trick-or-treaters.

CHECK YOUR CHILD'S CANDY.

Dispose of any candy that is not in its original wrapper, or looks as though it has been opened. Only eat treats that are still in their original, unopened wrapper.

AVOID TOXIC PAINT

Not all face paint is non-toxic. Check before you buy an apply.
